

## A LEVEL RESULTS

Another great year for A-level students at SNA with 30% gaining A\*-B grades at A2. Students gained excellent results and gained places on competitive university courses and Universities such as Bristol, Birmingham and Sheffield. Some of the students already had unconditional offers due to the strength of the personal statements and detailed references. It was great to see such well-deserved smiles. Thank you to students, parents, carers and teachers for another great year. We wish all the students the very best in the future in whatever they do.
